

How to Find Local TV Programs

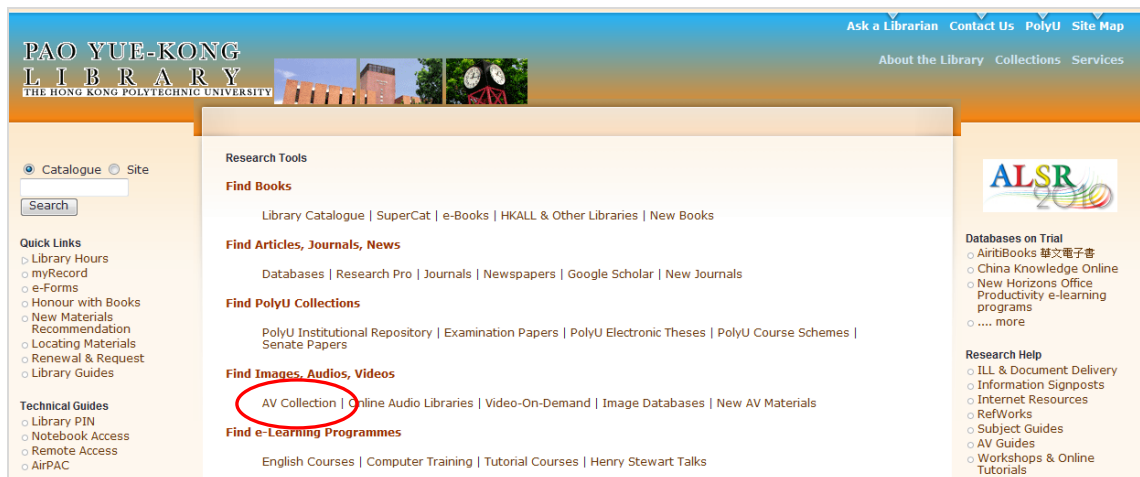

The Local TV Collection

The Library's Local Television Collection contains more than 25,400 programs (as of June 2009), covering current affairs, documentary and instructional programs produced by TVB, ATV, RTHK since early 1980's and also those by Cable TV.

To Search for Local TV Programs

To search the Library Catalog for AV materials & TV programs,

- Click <AV Collection> under <Find Images, Audios, Videos> in the Library Homepage.

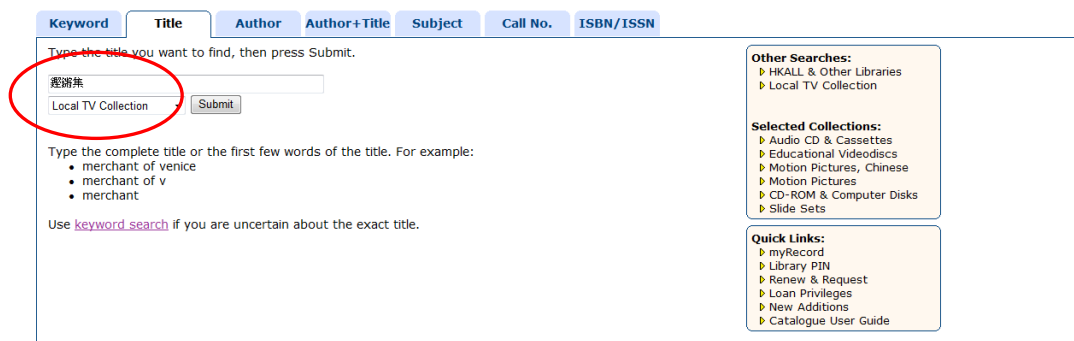

- Specify "Local TV Collection" in the Collection field.
- You can select to search by any index field (e.g. keyword, title, author, subject, call number, etc.) by clicking on the relevant button in the top menu.

Title Search

- Search with the first few words of the title or the complete title. It can be a program or series title.
 - Series title – e.g. 鏗鏘集, 時事追擊, 新聞透視, Media Watch, Newslines, Money Magazine, etc.
 - Program title – the title of the program episode, e.g. 醫藥分家, Smoking ban, etc.
- Omit initial articles, such as "A", "An" & "The".

Limit Search

LIMIT THIS SEARCH

- After a title or subject search, you can limit or refine the search result by pressing button.
- Specify the range of publication year if you want programs broadcast in particular years. e.g. "After 2008 and Before 2010" for programs broadcast in 2009.
- Specify the desired language – Chinese or English, if necessary.
- Add subject words or title words to refine the search, if necessary.

Item	Mark	TITLES (1-50 of 1179)	Year	Entries

Need Search Tips?

Program Summary

- An English summary prepared by the Library is provided in most local TV program records to describe the content outline of the program.
- Words in the summaries are indexed and can be used in keyword search.
