

# LIBRARY - BULLETIN

## Featured Resources for Faculty of Construction and Environment

### ICONDA (1976+) via Ovid

The International **CON**struction **D**atabase covers including: **construction and building, civil engineering, architecture, urban and regional planning.** It is endorsed by the International Council for Research and Innovation in Building and Construction CIB and the International Union of Building Centres UICB.

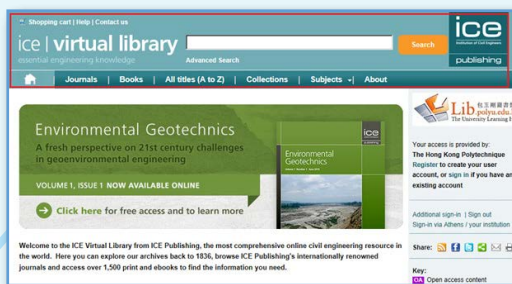

### GeoRef (1666+) via Ovid

Established by the American Geological Institute (AGI), GeoRef is AGI's most comprehensive **geosciences** database with worldwide coverage. The database contains over 3 million references to geoscience journal articles, books, maps, conference papers, reports and theses.

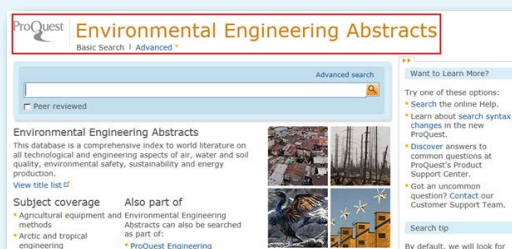

### ICE Virtual Library

As the publishing arm of the Institution of Civil Engineers, ICE Virtual Library allows users to browse their journals and books to find the information you need, such as: **civil engineering industry, construction materials, health and safety, sitework, structures and buildings, transportation, waste management, water and wastewater.**

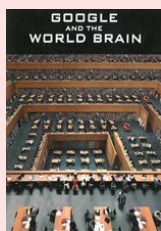

### Environmental Engineering Abstracts (1990+) via ProQuest

This database is a comprehensive index to world literature on all technological and engineering aspects of **air, water and soil quality, environmental safety, sustainability and energy production.**

## Media Resources

### Google and the world brain ZA4080.G66 DVD

This program tells the fascinating story of the complicated struggle over intellectual property and access to human knowledge, offering crucial insights into broader debates surrounding data-mining and privacy, downloading and copyright, fair use, freedom and surveillance.

## Databases on Trial

#### Engineering Case Studies Online (Expiry: 7 Jun 2014)

An online collection of video and text material focusing on engineering failures and successes. It contains documentaries, accident reports, experiments, visualizations, case studies, lectures and interviews from leading engineering institutions around the world.

#### Environmental Geotechnics (Expiry: 31 Dec 2014)

A new journal from ICE Publishing (Institution of Civil Engineers).

#### Global Business and Economics in Video (Expiry: 7 Jun 2014)

An online video collection which features executive interviews, corporate training video, case studies, How To features and documentary films that focus on all aspects of the global business environment.

#### Nursing Assessment in Video (Expiry: 7 Jun 2014)

An online training video collection which provides demonstrations and step-by-step instructions for performing physical assessments of patients.
