Sports Medicine and Exercise Science in Video

It is an extensive video collection ever assembled in the areas of fitness and health assessment, disease management, injury treatment, nutrition, medical fitness, sport science, work-site wellness, exercise adherence, and much more. It features an array of internationally renowned experts who share information, ideas, and insights on the principles, techniques, and modalities of modern exercise science and sports medicine.

New England Journal of Medicine (NEJM)

NEJM contains full text articles on the results of important medical research worldwide that originally appeared in the print version of the New England Journal of Medicine, as well as materials issued exclusively for the online edition. Off-campus access for PolyU students, faculty and staff is available starting April this year.

PsycARTICLES

It is a database of full-text articles from journals published by the American Psychological Association, the APA Educational Publishing Foundation, the Canadian Psychological Association, and Hogrefe & Huber from 1987 to present.

Media Resources

Nicky's Family D804.66.W56 N535 DVD

This award-winning documentary tells the extraordinary story of Nicholas Winton who organized the rescue of 669 mostly Jewish children from Nazi-occupied Czechoslovakia just before the outbreak of World War II.

My Digital Life HQ799.2.I5 M93 DVD

The program explores the perils and possibilities of the new digital world. Strategies to navigate a rapidly growing and ever-changing digital world are offered by experts and adolescents.

Databases on Trial

Environmental Geotechnics (Expiry: 31 Dec 2014)
A new journal from ICE Publishing (Institution of Civil Engineers).

Factiva.com (Expiry: 16 Oct 2014)
Factiva is a business and general reference resource that reaches across disciplines from business and current events to communications and technology, politics, foreign policy, and more. It can monitor current news, track industry developments and global market activity, and research a global company.
