## Featured Resources for Faculty of Business

Factiva

Factiva is a powerful and comprehensive news database which brings you to the world's top media sources, including newspapers, trade and consumer publications, magazines, newswires, and web media in 28 languages from nearly 200 countries, with 35 years of coverage. It helps you quickly discover up-to-minute information critical to your research.

Notable Sources from Factiva

- ☐ **Newspapers:** The Wall Street Journal, The New York Times, South China Morning Post
- ☐ **Magazines:** The Economist, Forbes
- ☐ **Newswires:** Dow Jones Newswire, Reuters
- ☐ **TV & Radio Transcript:** ABC News, BBC, CNN

Access is through the Database A-Z List on the Library web page, or directly at https://www.lib.polyu.edu.hk/databases/factiva.

Media Resources

☐ **GDC Vault**

GDC Vault offers access to more than 8,000 videos, audio files, slides and synced presentations from 20 years of the worldwide Game Developers Conferences. It covers a range of videogame development topics including business & marketing, game career, game narrative, smart phone/tablet games and more.

☐ **ARTstor Digital Library**

ARTstor now provides over 1.8 million digital images in art, architecture, fashion, film, science and technology and more. Recent additions include collections from institutions as varied as the Art Gallery of Ontario, the American Museum of Natural History, the Fashion Institute of Technology (FIT), the National Gallery in London, the Romare Bearden Foundation, Berlin State Museums, and Statens Museum for Kunst.

Many of the images are available to students and staff for use in scholarly publishing free of charge through the Images for Academic Publishing program.
