

e-LIBRARY BULLETIN

Issue 70 February 2015

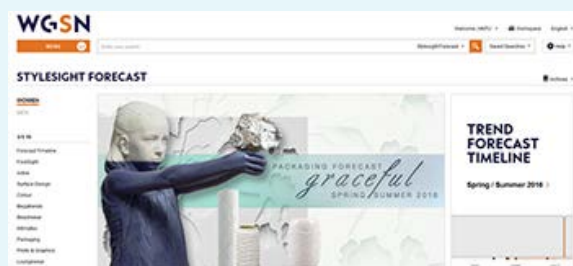

Featured Resources for Faculty of Applied Sciences and Textiles

ITC faculty members, researchers and students may be interested in a recent addition to our collection:

■ The Berg Fashion Library

It is a unique online portal which offers access to an expanding range of Berg content collections. Its key content includes:

- The *Berg Encyclopedia of World Dress and Fashion* online
- An eBook collection of 70 Berg fashion titles
- A colour image bank of images from different fashion museum
- Links to e-journals such as *Fashion Theory*, *Fashion Practice*
- Reference resources, such as *An A-Z of Fashion* and *The Dictionary of Fashion History*

■ WGSN.com

It merges with StyleSight to create a new platform. The new WGSN platform offers new features and richer content.

Media Resources

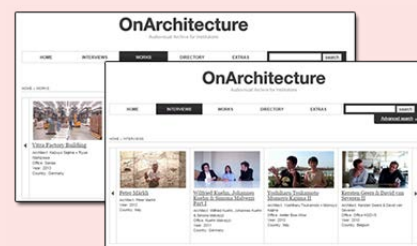

■ OnArchitecture

It provides a synthetic, deep and detailed panorama of world's main authors, works, experiences and problems related to the field of architecture. It features original videos such as interviews, buildings and installations, plus complementary material about the key figures of contemporary architecture.

■ Henry Stewart Talks

It offers access to over 2,000 online seminars by leading world experts and is regularly updated. Recent additions to its Biomedical & Life Sciences Collection include Bone in Health and Disease series, Systems Biology series and Wound Healing series. The Business & Management Collection is also enriched with Global Branding Strategies series, Corporate Financing series and International Trade from a Russian Perspective series.

Databases on Trial
