

## New Resources

### Science Express

Science Express provides electronic publication of selected research papers, perspectives, and other articles that have recently been accepted for publication in Science. When the print version of Science appears, the Science Express version is replaced with an electronic file of the print version, and the paper is moved to the appropriate print issue on the Science site.

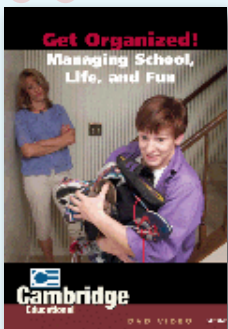

### Ulrichsweb.com

Ulrichsweb contains the authoritative source of bibliographic and publisher information on currently published as well as discontinued periodicals, including academic and scholarly journals, conference proceedings, popular magazines, newspapers, newsletters, and electronic publications. Ulrich's records provide data points such as ISSN, publisher, language, subject, abstracting & indexing coverage, full-text database coverage, tables of contents, and reviews written by librarians.

### Get Organized! : Managing School, Life, and Fun LB3607.8 .G47 DVD

This video teaches young people the value of personal management skills, and provides tips and strategies for getting organized in several key areas: living space, school materials, study time, extracurricular activities, and social life. Dramatizing situations in which a group of teenagers have made themselves miserable through a lack of self-management, the program uses a lighthearted approach that engages young viewers, while driving home a serious message: Effective organizational tactics will be a valuable asset throughout your education and career.
