

LIBRARY - BULLETIN

Issue 30 October 2011

New Resources

Cambridge Books Online

The Library has recently purchased more than 700 eBooks from Cambridge University Press. It covers subjects from all disciplines across science, technology and medicine, as well as humanities and social sciences. Available titles are marked with a bright green "P".

Never Work Harder Than Your Students: The Journey to Great Teaching

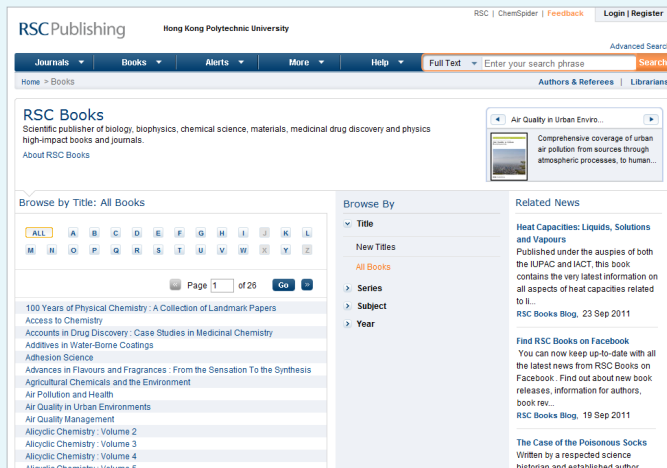

LB1025.3 .N48 DVD (66 min.)

Host: Robyn R. Jackson

Summary:
Show how teachers in all grade levels can apply these practices in their classrooms and ensure that students take more responsibility for their learning. As Robyn describes how her core teaching approach makes instructional decisions more automatic and effortless, she offers numerous tips that can help teachers in every subject.

RSC eBook Collection

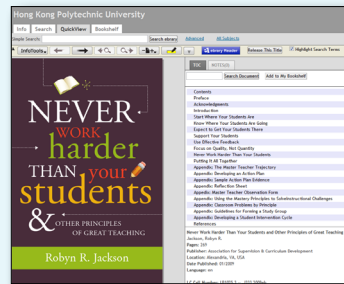

About 65 selective titles were purchased in 2011 from RSC e-Book collection. It is a comprehensive overview of research and opinion in a multitude of areas of chemical science. The collection is searchable and indexed to chapter level, with all documents provided as pdfs.

Also available in e-book format:
