The database provides technical standards released by ANSI, ASHRAE, ASME, ASTM, BS, CIE, IEC, ISO, JIS, and UL.

Environmental Sciences and Pollution Management

The database provides unparalleled and comprehensive coverage of the environmental sciences.

Media Resources

□ **Half the Sky: Turning Oppression into Opportunity for Women Worldwide** HQ1236.5.D44 H34 DVD

This is a documentary film from the Pulitzer-winning New York Times Journalists Nick Kristof and Sheryl WuDunn. Across the globe oppression is being confronted, and real meaningful solutions are being fashioned through health care, education, and economic empowerment for women and girls. The film features stories of women and girls from around the world and shows us how we can all be part of a movement that is sweeping across the globe right now.

□ **Rights & Wrongs: The Story of Women in Islam** BJ1292.W6 R54 DVD

By returning to the roots of Islam and understanding how societies have found justification for their treatment of women within Islamic sources, this thoughtful and far reaching film is an essential resource that debunks myths about women and Islam. This film alternates between the history of Mohammad and issues facing Muslim women today--from the wearing of the veil, to praying in the mosque, and attitudes towards domestic violence and honor killings.
