❑ PsycINFO

This database is published by the American Psychological Association. It contains citations and abstracts of journal articles, books, technical reports as well as dissertations in psychology and related disciplines. 90% of the 3,000+ titles indexed are peer-reviewed.

❑ Medline (1946+) via OvidSP

Produced by the United States National Library of Medicine, the MEDLINE database is widely recognized as the premier source for bibliographic and abstract coverage of biomedical literature. More than 8.7 million records from more than 3,600 journals are indexed, plus selected monographs.

❑ Nursing Education in Video

It is a unique online collection of videos created specifically for the education and training of nurses, nursing assistants, and other healthcare workers. All of the videos in the collection have been created with the guidance of the Medcom-Trainex advisory board, and are regularly reviewed for accuracy, currency, and compliance with United States Federal regulations from agencies such as OSHA and CMS.
