

International Week 2013

PolyU Library Multimedia Project for International & Local Students

Come and visit the video exhibition at the Library to get to know about Hong Kong culture, heritage and society through the eyes of PolyU students! These videos are produced by teams of international and local students with diverse backgrounds from different departments for the PolyU Library Multimedia Project. The Project was funded by UGC and organized by the Pao Yue-kong Library.

Let's see who will become the next rising star in the glamorous world of film industry!
