Your Gift Matters

University Librarian Steve O'Connor received the donation from the the Director of Information Resource Center of the U.S. Consulate General, Mr Solomon Wong

Donation from the U.S. Consulate General (Hong Kong & Macau)

In September 2009, the U.S. Consulate General donated US$10,000 to the Library for "American Studies Collection" development. There are 259 new titles added to the Library Collection. The Library greatly appreciates the U.S. Consulate General's generous donation, which definitely enhances our collection in American studies.

Honour with Books

The Library would like to take this opportunity to express our gratitude to the following donors who made generous donation to support our "Honour with Books" Programme. Your donations not only enhance our collection, but also show your great support to the Library. It is a big encouragement!

Donors and their sharing:

Support us now!

When we read, everything in our lives takes on a whole new meaning. We begin to learn and see the world from a fresh perspective. Through reading we become a better person and through this, we have the power to make this world a better place. The PolyU Library's "Honour with Books" program inspired me to share this wisdom.

Robert Wright
Associate Professor, Department of Management and Marketing

As a visiting scholar from Anhui University of Finance and Economics (AUFE), I enjoy the quiet environment of the Hong Kong Polytechnic University Library when exploring this abundant knowledge mine. It's my pleasure to support this noble cause.

Zhang Changquan
Visiting scholar of Anhui University of Finance and Economics

Fung Suk Han Cecilia Almuni

In fall 1976, I studied my Higher Diploma in Accountancy at the Phase 1 of the Hong Kong Polytechnic, the Library is one of the brand new red brick buildings in the Hung Hom campus. I promised myself that I would bury myself with books and now, I am still holding a valid library card (as an Alumni)!

It is my intention to pay tribute to our course coordinator and lecturer of Management Accounting, the late Mr R.W. Dobson. Before he passed away, he and his wife had become personal acquaintances of me and my husband.

Hui Ming Tak
Assistant Development Manager, Alumni Affairs & Development Office

This "Honour with Books" programme is very meaningful because it allows me to share a book which has enlightened me during a difficult period of my life. Having shared this book with my friends, I hope this book can reach more people through the programme and I believe the messages inside it will help those who are lost or confused about their lives.

Being a long standing graduate member of Pao Yue-kong Library, I always enjoyed in reading her vast collection of books and publications. To show support to the "Honour with Books" programme of the library, her staff and users, I am happy to donate a book which I like. I hope her treasure of books will continue to grow.

　　為配合中國文化學系成立，及向學生傳授中國文化知識，提高其鑑賞及吸取中國文化精神之能力，圖書館在未來數年將加強這方面圖書資源的收藏。今期我們會為大家介紹以下兩套古籍珍本藏書。

《四部備要》

　　中華書局於1920至1936年編輯出版了的《四部備要》，共收經、史、子、集四部書336種。本館只藏有40種。中華書局《校印〈四部備要〉緣起》云：「吾國學術，統於四部，然《四庫》著錄之書，浩如煙海，坊肆流傳之籍，棼若亂絲，承學之士，別擇維艱，……同人有鑑於此，爰於前年，擇吾人應讀之書，求通行善本，匯而集之，顏曰《四部備要》，……經、史、子、集最要之書，大略備矣。」* 《四部備要》可謂世人「應讀之書」、「最要之書」。本叢書依原刻本用聚珍仿宋版排印，選有代表性的校本、注本，是學習和研究古代文獻的常備書籍。

* 引自《"中國傳統文化與21世紀"國際學術研討會論文集》，中華書局，2003年

《叢書集成初編》

　　《叢書集成初編》這部大叢書由王雲五主編、商務印書館1935至1937年陸續印出3467冊。1985年中華書局用上海商務印書館本影印，補齊533冊，共4000冊。本館現藏有1025種，共2175冊。編輯者選擇了宋代至清代較為重要的百部叢書排印，少數影印。叢書共分10類：總類、哲學類、宗教類、社會科學類、語文學類、自然科學類、應用科學類、藝術類、、文學類及史地類等。

　　商務印書館原書目凡例介紹：「初編叢書百部之選擇標準，以實用與罕見為主；前者為適應要需，後者為流傳孤本。」這百部叢書，以刊本朝代分，宋代3種，元代1種，明代25種，清代71種；以叢書性質分，普通叢書80種，專科叢書12種，地方叢書8種。對於研究我國古代文化遺產，傳播中國文化具有重要作用。
