

# Scanning to computer (MP-03) – Quick Guide

1. Insert your Octopus card

2. Touch screen icon  
[SCAN TO NOTEBOOK MP-03]

3. Touch [MP-03] to store your file  
in a nearby notebook MP-03

4. Press [Start] to begin your scanning

5. Press [#] number sign to end  
scanning

5. Press [Eject] to release your  
Octopus card and locate your file on  
MP-03 desktop folder “Scan Result”

## Remarks:

- All scanned files will be deleted after reboot. You are advised to copy your scanned files to external storage.
- To protect your personal data, please remember to reboot the notebook computer before leaving.
